If you're coming down Florida's Eastern Atlantic Coast along I-95, don't miss the relaxing stroll along the deserted beaches of Playlandia Beach with its magnificent wildlife and the wonders of the Cape Kennedy Space Center. You've headed South along the I-95 Interstate corridor along Eastern Florida's Atlantic Ocean coastline, through Vero Beach, and the Palm Beaches and on to your 2 Nights stay in Ft. Lauderdale, Florida.

Or, if you chose Florida's magnificent Western Gulf coast, you probably came South along the I-75 Interstate corridor along Western Florida's pristine Gulf Coast through Sarasota, Venice, Naples and Ft. Myers. I-75 then curves East straight across South Florida through the heart of the Everglades, the Big Cypress Swamp and the Seminole Indian Reservation to I-75's terminus in South Florida - Ft. Lauderdale where you'll stay for 2 nights.

You've arrived in Ft. Lauderdale - a wealthy city on the cutting edge of fashion and the arts in the playground of the rich and famous - world renowned South Florida. Ft. Lauderdale is a beachside community cluttered with sunscreen and souvenirs. Well, actually, it's both, and it is connected by Las Olas Boulevard and the New River, which makes up the city's "streets-by-water." In addition to the beautiful surroundings, numerous historic sights, museums, chic sidewalk cafés and a 22-block long waterfront walkway all contribute to this city's captivating appeal. Fort Lauderdale, commonly referred to as "The Venice of America," is the yachting capital of the East Coast and the home of The International Swimming Hall of Fame. From shopping to deep-sea fishing, this city truly has it all.

No matter if you combine with a stay in Orlando, Daytona Beach or St. Pete Beach, Ft. Lauderdale is a perfect contrast to complete your Florida vacation. Plus, for that ultimate getaway, don't forget to include your Optional Caribbean Cruise to Nassau in The Bahamas.
